PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The governing bodies of the affected County Sanitation Districts (Districts) and the respective taxing entities have adopted the attached Joint Resolutions based on the negotiated exchange of property tax revenue related to the proposed annexations to the Districts.

In order for the Local Agency Formation Commission (LAFCO) for the County of Los Angeles to proceed with the required hearings on the proposed annexations, your Board, on behalf of the County General Fund, Public Library, Consolidated Fire Protection District, Road District No. 5, Flood Control District, and Lighting District Nos. 1687 and 1744, must also adopt the attached Joint Resolutions.

The proposed annexations involve residential, vacant, and commercial parcels for which there is no other local agency able to provide off-site sewage disposal services. The annexations will allow property owners in the affected territories to obtain off-site sewage disposal services from the Districts by connecting their properties to existing sewer lines. Currently, the only option available to property owners is to construct private septic systems. In each annexation application submitted to LAFCO, all of the owners of real properties within the territories proposed to be annexed have requested, in writing, that their properties be annexed to the respective County Sanitation District.

FISCAL IMPACT/FINANCING

There is no base transfer of property taxes associated with these annexations. If the annexations are approved, the adopted resolutions will transfer a portion of the annual property tax increment attributable to the annexation areas from the County and the other affected taxing entities to the affected Districts commencing with Fiscal Year 2011-12 or the fiscal year after the effective date(s) of the annexations, if later.

The territories being annexed are located as follows: 5-55 is within the City of El Segundo, 15-288 is within the City of La Puente, 21-732 is within the City of San Dimas, 22-367 and 22-372 are within the City of West Covina, 28-5 is within the City of La Cañada Flintridge, SCV-1012, SCV-1050, and SCV-1052 are within the City of Santa Clarita, 14-414 is within unincorporated Antelope Valley, 22-411 is within unincorporated Charter Oak, and SCV-1023 and SCV-1049 are within unincorporated Santa Clarita Valley.

The territories being annexed and their impact to the County's share of incremental property taxes for future years are reflected in Attachment A. Each of the affected agencies' shares of the annual property tax increment will be adjusted accordingly.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Pursuant to Part 3, Division 3, Title 5 of the California Government Code, commencing with Section 56000, the affected Districts adopted resolutions and filed applications with LAFCO to initiate proceedings for annexation of territory to the Districts.

The Honorable Board of Supervisors
May 17, 2011

Section 99 of the Revenue and Taxation Code (R&T Code) requires that prior to the effective date of any jurisdictional change, the governing bodies of all agencies whose service area or service responsibilities will be altered by such change, must negotiate a reallocation of property tax revenue between the affected agencies, and approve and accept such reallocation by resolution. The Districts and the other independent taxing entities have adopted negotiated Joint Resolutions for the subject annexations, as required by Section 99 of the R&T Code. Adoption of the Joint Resolutions by your Board will allow LAFCO to schedule the required public hearings on the proposed annexations. LAFCO will subsequently take action to approve, approve with changes, or disapprove the proposals for annexation.

The Joint Resolutions have been approved as to form by County Counsel.

CONCLUSION

At such time as the recommendation is approved by your Board, please return one copy of this letter and one of each of the original Resolutions to LAFCO, one copy of the letter and a copy of each of the Resolutions to the Chief Executive Office, Office of Unincorporated Area Services, and one copy of the letter and each of the Resolutions to the Auditor-Controller, Tax Division.

RESULTING FROM ANNEXATION TO COUNTY SANITATION DISTRICT NO. 5.

"ANNEXATION NO. 55"

WHEREAS, pursuant to Section 99 and 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change which will result in a special district providing a new service, the governing bodies of all local agencies that receive an apportionment of the property tax from the area must determine the amount of property tax revenues from the annual tax increment to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; and

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The negotiated exchange of property tax revenues resulting from the annexation of territory to County Sanitation District No. 5 in the annexation entitled *Annexation No. 55* is approved and accepted.

2. For each fiscal year commencing on and after July 1, 2010, or after the effective date of this jurisdictional change, whichever is later, the County Auditor shall transfer to County Sanitation District No. 5 a total of 0.5537356 percent of the annual tax increment attributable to the land area encompassed within *Annexation No. 55* as shown on the attached Worksheet.

RESULTING FROM ANNEXATION TO SANTA CLARITA VALLEY SANITATION DISTRICT.**

“ANNEXATION NO. 1049”

WHEREAS, pursuant to Section 99 and 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change which will result in a special district providing a new service, the governing bodies of all local agencies that receive an apportionment of the property tax from the area must determine the amount of property tax revenues from the annual tax increment to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; and

WHEREAS, the governing bodies of the agencies signatory hereto have made determinations of the amount of property tax revenues from the annual tax increments to be exchanged as a result of the annexation to Santa Clarita Valley Sanitation District entitled *Annexation No. 1049*;
